Dear Mr Nolan,

Notification of Minor Corrections

I am writing to confirm that, as a result of your viva, your examiners have requested the completion of minor corrections. Please submit a revised copy of your thesis to your nominated examiner by **18th October 2018**.

If, for exceptional reasons, you cannot meet this deadline you may apply for a one month extension of time. The application form (GSO.18) is available from Exceptional Circumstances Graduate Forms and must be completed by you, your supervisor(s) and your college and submitted to me at the address above before **11th October 2018**.

Please note that your status will lapse if you fail to submit your corrections or to apply for an extension by the dates detailed above. This means that you would need to apply for reinstatement in order to complete your degree. There may be a fee for reinstatement.

Please let me know when you have submitted your revised thesis to your examiner, either with the slip below or by email.

Please do not hesitate to contact me if you have any queries regarding this.

Yours sincerely,

Claire Oerton
